DEBATE BETWEEN THE SOPHOMORES AND FRESHMEN

The sophomores and freshmen of Sequoia Union High School came to conflict Thursday, May 29, in debating. It was the first of a series of debates between classes. After a hard struggle the sophomores carried off high honors. The freshmen put up a hard fight and were disappointed when they were defeated. Romano Antich and Ruth Weller were the sophomore debaters, while Doris Vannier and Robert Felton upheld the honor of the freshman class.

The subject for debate was "Resolved, that the president of the United States should be elected by direct popular vote."

The sophomores had the affirmative and the freshmen the negative.

LADIES ARE ACTIVE IN POLTICAL CIRCLES

Organization of the women of the Republican party has begun methodically and the country has been divided into seven regional districts or groups of states for better working purposes. At the head of each district is a chairman familiar with her own particular section, who is also a member of the women's Republican national executive committee.

Mrs. Medill McCormick, chairman of the women's Republican national executive committee, shares with Mrs. Raymond Robbins, who is one of the two chairmen-at-large, the district comprising Iowa, Minnesota, Wisconsin, Indiana and Colorado. Miss Mary Garrett Hay, treasurer of the women's committee has the chairmanship of the state of New York; Miss Maude Wetmore of Rhode Island, of the New England states; Mrs. Florence Collins Porter of California has the southwestern district, including California, Utah, Nevada and Arizona. Mrs. Josephine Corliss Preston of Washington is chairman of Washington, Oregon, Idaho, Montana and Wyoming; to Mrs. Margaret Hill McCarter of Kansas has been given North and South Dakota, Nebraska and Oklahoma in addition to her own state. Mrs. John Glover outh of Kentucky is chairman of the southern district, which includes Kentucky, Maryland, Tennessee, Missouri, Virginia, West Virginia, Louisiana, Arkansas, Mississippi, North and outh Carolina, Alabama, Texas, New Mexico, Georgia and Florida. Mrs. Thomas H. Carter of Washington, D. C., formerly of Montana, is a chairman-at-large with Mrs. Raymond Robbins.

In all these districts organization has been commenced and the state chairmen are being appointed rapidly. It is expected that all the state chairmen will have been appointed by the time the conference which will be held in Washington on May 22 and 23, under the ausipces of the women's Republican national executive committee, convenes.

CANNING COMPANY BUYS LARGE TRACT

During the week the Pratt-Low Canning Company of Santa Clara, one of the largest canning concerns in Santa Clara county, purchased two whole blocks of land in the southern portion of town near the Horseman Chemical Works on the line of the railroad. The company bought the property some weeks ago from the Phelps estate and the Redwood City Realty Company, but there was a flaw in the title to one of the parcels and it had to be rectified by a court order and this was done last week, so that the deeds to the property did not pass until Wednesday, when the company paid the consideration for the choice site not far from the Dumbarton railroad. The concern has asked nothing from the people of Redwood City, thus showing good faith and confidence in the project.

Work on the buildings will commence at once, as it is the intention of the company to be in a position to be able to handle the tomato crop in this community. Over $25,000 is to be expended at once in the construction of suitable buildings. More will be added to the plant as the necessity arises. Fully 200 persons are to be employed and double that number will be on the pay roll of the concern when it is in full working capacity. It is the intention of the concern to make a specialty of canning vegetables. The raw product will be shipped from the Sacramento and San Joaquin valleys over the Dumbarton railroad. Other portions of the state will also send vegetables to be canned here. With the advent of the new cannery Redwood City will certainly take on new life and energy. More homes will be established here and another manufacturing concern will have been added to the many already located in Redwood City. The new industry is sure to stimulate real estate prices and encourage business men. A hundred or more new homes in Redwood City mean more business for merchants and more money in circulation, which spells prosperity. Redwood City is on the eve of a great industrial boom, one that has been looked for for many years. It is now to be realized. The chamber of commerce has worked diligently and industriously for the plant and it has been successful by hard work and persistency in bringing it here. Other localities made a fight for it, but Redwood City's more favorable location won. The members of the chamber of commerce worked harmoniously and to them Redwood City owes its new factory.

THOMAS' OPENED FOR BUSINESS

The Thomas candy store opened with a blaze of glory yesterday after weeks of preparation. Without a doubt it is the most attractive candy emporium on the peninsula. Hundreds of dollars have been spent in fixtures. J. L. Strang, the building contractor, installed the fixtures and remodeled the store which was formerly the old Sequoia Hotel bar. It has been transformed into a thing of beauty. Here young and old will meet to enjoy the good things provided by the proprietor, Mr. Thomas, an experienced candy man of San Francisco. Ice cream and temperate drinks will be his specialty. Delicious cooling drinks will be served by pretty maids who are courteous and accommodating. THE WEEK'S EVENTS IN LOCAL CIRCLES

"All-of-a-Sudden Peggy," the 1919 class play, will be presented Friday evening, June 20, in the Alhambra Theater. This performance bids fair to be the best high school production in years. An all star cast will be in the personnel of the play and together with Miss Boyle it promises to be worth the price o fadmision. Buy your tickets now.

A. S. Liguori and F. A. Reynolds left last night for Yosemite to attend the annual grand sesion of the Native Sons of the Golden West. Mr. Liguori is making a strong campaign for grand trustee and has opened headquarters in the valley. This morning his boosting committee, consisting of Milton Marcus of Marcus' Arcade, Deputy Auditor Clement Shields and Frank Griffin, will depart for the Yosemite to work in the interest of the Redwood City man. It is now generally conceded that Mr. Liguori will be succesful in his aspirations and will be a member of the board of trustees of the next grand parlor.

David Flynn, the local agent for the Ford automobile, attended a banquet in San Francisco on Tuesday given by Henry Ford to all his agents in San Francisco and the bay counties. The banquet was given at the St. Francis. It was intimated at the affair by one of Ford's representatives that it was possible that Mr. Ford would establish a factory on the Pacific Coast and if he did it would be located somewhere on the peninsula. This may serve as a hint to the local chamber of commerce to get busy.

Frank Emmett Peterson, son of Mr. and Mrs. C. Peterson of this city, passed away on May 23 and was buried from the Redwood City Undertaking Parlors on May 29, the burial taking place in the family plot in Union Cemetery. Young Peterson passed away at his parents' home at 108 Rossevely avenue fololwing a lingering illness. The deceased was a native of Iowa and was 32 years of age. He came here with his parents when a child. He was an exemplary young man and his death was a severe shock to his family and friends.

Tony Armani, the 2-year-old son of Mary Armani, died at the Red Cross Hospital at San Mateo on Tuesday last and was interred in Holy Cross Cemetery, Menlo Park, on May 29.

Mr. and Mrs. J. S. Hughes have moved into their new home on Lincoln avenue just completed by J. L. Strang, the well known contractor. The home is cozy, fit for the gods, and will be enjoyed by the couple.

The floor plans of the new fire house are exhibited in Lloyd's candy store. The new building will cost $25,000 and will be a credit to Redwood City.

County Treasurer P. P. Chamberlain made his semi-annual settlement with State Treasurer F. W. Richardson during the week. He sent $37,000 to Sacramento, this being the amount received from inheritance tax during the term of the past six months.

Merrill ,vice presidents; Mrs. E. R. Kauffman, recording secretary; Mrs. J. D. Hedge, corresponding secretary; Mrs. Charles Hesler, federation secretary; Mrs. C. R. Chapman, treasurer; Mrs. Fred Lippman, Mrs. W. S Baker, Mrs. D. W. Williams and Mrs Alice Mansfield, directors.

County Recorder Clark Rice has received word from the east of the death of his uncle, Judge Charles Rice, a member of the appellate court in Pennsylvania. He was 71 years old.

Mrs. Bella Lindsey, county recorder of Santa Cruz county, and her daughter, Miss Lindsey, and Miss Allen, both deputies in the office, were guests of Recorder T. C. Rice at his office here on Thursday morning. They inspected the office and were highly impressed with the system installed by Mr. Rice.

A shower was given at the home of Mr. and Mrs. Frank Maloney to the formers' niece, Miss Helen Clothier, a beautiful belle of Menlo Park, on Thursday evening in honor of the young lady's forthcoming marriage. A hundred friends gathered to felicitate the young lady. She was the recipient of numerous useful gifts. Miss Clothier is accounted one of the most charming young women of the peninsula. She made her debut two years ago.

Mrs. Edna Parsons was frightfully burned in a gasoline explosion at her home at 526 Arguello street Saturday afternoon. She was cleaning her kitchen stove when she thoughtlessly poured a quantity of gasoline into a can of blacking. The explosion occurred instantly and her clothing caught fire from the burning gasoline. Mrs. Parsons screamed and ran out into the street. Robert Smith, the local baggageman, happened to be passing. To his coolness and presence of mind may be ascribed the saving of the woman's life. He directed her to roll on the ground and by his assistance the flames on the woman's dress were put out. He is a hero and deserves a medal for his work. Mrs. Parsons was removed from her home on Thursday to the Red Cross Hospital at San Mateo. Late accounts from the hospital indicate that she will recover and will soon be convalescent. Her husband is employed at the National Magnesia Works.

MEMORIAL CEREMONIES FITTINGLY OBSERVED

The beautiful Sequoia Theater was crowded to the doors yesterday afternoon by patriotic men and women who had assembled to pay tribute to the memory of those heroes who fought for the flag and who gave up their lives that this country might live. The program

P. P. CHAMBERLAIN

was in charge of General George Evans. Relief Corps. It was brief but full of inspiring and patriotic numbers. The program was completed in an hour and a half. The exercises were well timed and appropriate. No one felt bored. All enjoyed them.

Promptly at 1:30 o'clock P. P. Chamberlain, comander of the local Grand Army Post, opened the exercises by a short speech in which he welcomed all, and in the course of his talk paid a neat tribute to the valor of the men of '61. After the prayer by Father J. J. Sullivan, the children of the Redwood City grammar school rendered a patriotic song. Gerald Shields in reciting Lincoln's Gettysburg speech brought down the house by his fervent patriotism he put into the address. The song rendered by the quartet consisting of Lamliert, Davis, Murray and Johnson, was heartily encored.

Mrs. H. C. Stevens threw her soul into "The Star Spangled Banner" and was applauded as she finished. A patriotic song by the convent pupils brought out thunderous applause.

Frank J. Silva, assistant United States attorney, formerly district attorney of Napa county, was the orator of the day. He delivered a 15-minute speech. It was a gripping, eloquent and patriotic address. Mr. Silva is an orator of much ability. He has a pleasing manner, a graceful way and all the graces of a polished orator. Mr. Silva in his address paid a nice tribute to the patriotism of the soldiers who fought so valiantly in the civil war. The greater portion of his speech was devoted to the achievements of the soldiers of the world war. To them he paid a deserved tribute. Mr. Silva received an ovation as he finished his able oration.

The Sequoia Union High School pupils rendered a patriotic song and were well applauded. Rev. Oscar Smith closed the exercises with a prayer, when L. E. Mullen sounded taps. After the singing of "America" by the audience a line of march was formed by the audience and all went out to the Union Cemetery. In the line were the local fire boys, Grand Army of the Republic, school children, the home guard commanded by Charles Lambert and the Relief Corps.

At the cemetery Rev. C. H. Stevens offered prayer and the address to the unknown dead was delivered by Rev. F. A. Brown; vacant chair, convent children, and taps by L. E. Mullen completed the Memorial Day exercises.

MRS. DOXSEE GETS HUSBAND RELEASED

Mrs. Doxsee, wife of Wilbur H. Doxsee, who is serving with the expeditionary forces in France, received a telegram from Senator Jas. D. Phelan yesterday stating that the authorities at Washington had cabled General Pershing to release Mr. Doxsee from active duty at once. Mrs. Doxsee two weeks ago applied to the senator to use his influence in having her husband released from the army as soon as possible for the reason that he had been offered the position as mathematics teacher in the Lick-Wilmerding school at San Francisco, by the president of the institution, George A. Merrill, and he wanted to be certain that the young man would be able to accept the place. So it was necessary to have an answer at once. Mr. Phelan's prompt reply is a great relief to Mr. Doxsee's family. He is at present at Langres and no doubt will start for home very soon. He has been overseas for a year, having previously spent nearly a year at Camp Lewis training. He left here in October, 1917. At the time of his enlistment he was a teacher in the high school at Williams, Colusa county. Mr. Doxsee is a graduate of the local high school and a graduate of the engineering department of Stanford, where he had a record as a brilliant student. Mr. Doxsee will assume the dtuies of his new position August 1 and will commute to Redwood City. He is a son of Mr. and Mrs. C. M. Doxsee of this city.

By the sweeping success of the bond election on Tuesday last the voters and taxpayers of Redwood City have demonstrated that they are progressive and also public-spirited. They have pride in their municipality and want it to keep pace with the times by making improvements that will redound to the credit of the city. Other peninsula cities are forging ahead with modern improvements and Redwood City must keep in the march of progress if it desires to be considered by new homeseekrs.

The taxpayers by their big vote for the bonds have shown their confidence in the city council. They know the $120,000 raised by the eletcion will be honestly expendd in needed improvemnts.

The Times-Gazette made a strong campaign for the bond issue election, knowing that its success would mean much to Redwood City and to the people. The voter has responded nobly and we feel that Redwood City will be greatly benefited.

MEMORIAL SERVICES

Among the things the minister of the Methodist church said in the memorial sermon Sunday morning to the Woman's Relief Corps who attended in a body:

"Our American boys left our fields and shops and after a few weeks of training were able to put the haughty and highly trained German army on the run. Who can explain the source of their power? Were they not the desecndants, spiritual and physical, of our immortals, the legions in the Grand Army of the Republic? If so, then the conflict of the Civil War not only saved the Union: more than that, our veterans set a precedent and developed a power that has been handed down to the present generation and procured freedom for the world. In giving credit to those who have won the world war, let us not forget that if the Grand Army of the Republic had failed in the sixties, we could only have failed today."

Four Big Voices From Camp Lewis

Lewis Military Quartet One of the Unusual Musical Features of Chautauqua Week

Four real song birds from the army are going to make the sixth day of Chautauqua one long to be remembered. Known as the Lewis Military Quartet, these young men are the very best musicians that Camp Lewis, with its thousands of excellent singers, could turn out. Lieutenant A. J. Haupt, prominent concert artist of Chicago, is first tenor; Constant Sigrist, formerly of the San Francisco Opera Company, second tenor; J. Shepherd Schoonmacher, a prominent singer of Los Angeles, is baritone, and Lieutenant Oswald Olsen, who has had six years of operatic experience in Europe, is the bass.

NOTABLE WAR PICTURES

Famous Photographer Brings Views of Last Days of the War.

The most remarkable set of last-minute war pictures and views of peace days on the continent which the country affords will be shown at Chautauqua by Henry Warren Poor, expert photographer and well-known lecturer. Mr. Poor's selection has been secured in two trips overseas and through his particularly fortunate position as head

of the Slide and Color Department of the great photographic firm of Underwood & Underwood. He is the first to see and select from the vast amount arriving each week from Europe.

His lecture has been voiced by Eastern papers as one of the most informative and interesting of the platform. The views shown include the last days of the offensive on the American front, Yankee troops crossing the Rhine, occupation of German cities and fortresses, President Wilson's visit to France and photos taken during the Peace Convention.

RICHARD TROUT WANTS HIS NAME CHANGED

Richard Trout, a prominent resident of Runnymede, has petitioned the superior court for a change of name to that of Richard Prout. Trout was born in England in 1855. His two sons, Richard and Melville Trout, desire the change and have also petitioned the court for an order. Mr. Trout, senior, states in his petition that both his sons are anxious to get married, but their dislike for the name of Trout is so strong that they will not ask a girl to accept from them the said name. Melville is soon to marry in Seattle, but before doing so wishes to take the name of Prout.

DIVORCE SUIT TRANSFERRED TO SAN MATEO COUNTY

The divorce action of Emile Houssey vs. Gabriele Houssey, commenced at San Jose on April 1 of this year, has been transferred to the superior court of this county for trial. The Houseseys were married at San Jose on October 4, 1917. They have no children and no community property. Plaintiff brings action on the ground of desertion.

P. MUTTO WILL FILED

Frederico Mutto has filed the last will and testament of Pietro Mutto, deceased, who died April 30, 1919, in San Francisco. The deceased executed a will on April 2, 1919, leaving all his estate to his father, G. Mutto, and named the petitioner as executor to serve without bonds. The estate is valued at $3,000.

SAN CARLOS NOTES

The genial tariff inspector for the Southern Pacific, John A. Gill, made his semi-annual visit to San Carlos Tuesday, May 22, and saw to it that a full complement of freight and passenger tariffs was on file for public use as required by the California railroad commission and the interstate commerce commission and then went on his way to the county seat to repeat the service, leaving behind him that atmosphere of good fellowship which leaves his fellows happy in anticipation of his next visit.

H. A. Derler, line inspector for the Western Union Company, passed through here on his annual inspection of the telegraph companies here.

If the board of supervisors grants our prayers the people of our little burg will soon enjoy the protection of a speed cop on the Sabbath when traffic is heaviest. He will be stationed at the junction of Cypress avenue and the state highway. Louis H. Hurlbut of "Jimmy Quick" fame has received the unanimous endorsement of the voters for the appointment to the position.

Andrew McDonald, who has been in the employ of McLaren & McRoble since coming from Menlo Park some years ago, has gone with the Cypress Lawn people at an advanced salary. Mr. McDonald had charge of the San Mateo county floral and vegetable exhibit at the Panama exposition.

J. D. Weir, in charge of the government health service in the district from San Mateo to Redwood City and extending to the coast, shipped a can of dead squirrels to San Francisco for analysis last Saturday.

A. E. Bottrell, who recently leased his home to R. H. Dewar and left for Arizona on account of his health, taking it by easy stages in his new Cole car, writes as follows: "We arrived safe and sound on the 16th inst., after a very pleasant trip through the San Joaquin Valley, Los Angeles, San Diego and the Imperial Valley, the car acquitting itself creditably in every respect. We camped out four nights on the way and the experience was enjoyed by all, specially the children. I am already beginning to feel the benefit of the warmer climate and have no doubt that in time I shall be a well man once more."

Boicelli and Edward Boicelli and Mrs. Lena B. Zinola, living in San Jose.

BUILDERS' CONTRACTS FILED

Broderick & Mayes agree to erect a frame bungalow for Emma Mayes in 90 days at Burlingame for $4,400.

The entire value of the estate does not exceed the sum of $2,848.97. J. W. Coleberd is attorney for petitioner. The heirs at law consist of the widow and four children.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Atherton society is concerned over the report that a colony of Japanese is to be established in the center of the most exclusive private residence district of that locality. Th cause of the fear seems to be the operation of John Shearer, who has leased a large tract of the Selby estate and is employing Japanese to plant tomatoes. Shearer has just been called before Judge Ray Griffin's court at Redwood City on a complaint sworn to by Matthew Harris, charging that Shearer is operating a gasoline pump day and night and disturbing the peace and quiet of the neighborhood.

Joseph Nash and Edward Kavanaugh will leave today for the Yosemite to attend the annual session of the grand parlor of Native Sons as delegate from Menlo parlor. Both are enthusiastic native sons and are officials of the local organization.

The choir of Trinity Episcopal church gave a dinner in Trinity Hall last evening in honor of George Angus, who recently returned from overseas. Mr. Angus was a member of the choir before going to France to battle for the colors. He was heartily congratulated by his friends, who had gathered to do him honor.

M. Bamberger, a wealthy New Yorker, has leased the T. C. Walker place at Atherton for the summer months and later may purchase the pretty place. He pays $1,000 per month rental. Mr. and Mrs. Walker have moved to their new home in Santa Barbara.

Mr. Thomas and party, prominent residents of Berkeley, were the week end guests of Miss Isabella Weeden.

Mrs. H. B. Parent and Miss Harriet Parent of San Francisco are the week end guests of Mrs. Charles Coxin on Oak Grave avenue.

Nearly all the private phones in town have been taken out since the new schedule of prices went into effect. This is the only way the company, or the government if you will, may be brought to terms. Present prices are oturageous and beyond any reason. If the telephones are not patronized the prices must come down or the concern must operate at a loss and this will not be done.

A class of young men at St. Patrick's Seminary will be elevated to the priesthood in St. Mary's Cathedral, San Francisco, on June 14. Archbishop E. J. Hanna will perform the ceremony. On the folowing day the young priests will celebrate their first mass at the seminary and on June 21 in their respective parishes. The young men to be ordained have completed a course of eleven years at the seminary. They are Leo T. Coughlin, San Francisco; C. P. Hardeman, Palo Alto; Francis B. Dougherty, Santa Fe, N. M.; Leo Murphy, Redlands; John F. O'Connor, Baker City, Ore., and Richard Curtis, son of ex-Sheriff Richard Curtis of San Francisco.

Eugene O'Brien, proprietor of the Depot restaurant, has closed the eating house and is offering for sale all the fixtures at a bargain. Now is the time to secure dishes, chairs, etc., at your own price. Mr. O'Brien contemplates leaving for his old home in Vermont early next month.

The marriage of one of Menlo Park's most beautiful belles and a gallant soldier will take place in about two weeks. The young lady in question was born and raised here and is a charming, accomplished and fascinating girl worthy of any young man. The names of the bride and groom will be announced next week.

The Menlo meat market was broken into late Sunday night by a local character who was about to get out of the shop with a sack full of meats when he was arrested by Policeman C. Maloney. The thief effected an entrance through the rear door. He made so much noise in ransacking the shop that he aroused W. Quilfet, who lives next door. He notified the policeman and the thief's arrest followed.

The "Bivouac" that did such a big business during the time the soldiers were here closed its doors on Monday. The eating place was noted for the excellence o fits home made pies and cakes which appealed to the boys in khaki.

A large motor concern is to establish a fast freight between San Francisco and San Jose. A midway station is to be established at Menlo Park. A large garage is to be erected on the highway for its big machines.

Mr. and Mrs. Atherton Macondray have left for the orient, where they will remain until some time in September. The former will visit Siberia before his return. Mr. Macondray is president of the Macondray Company, importers, of San Francisco, and goes in the interest of his concern.

Mrs. Sig Stern and Mrs. E. S. Heller will jointly entertain about 150 invalid soldiers at the Letterman Hospital in San Francisco at their homes at Atherton today. The soldiers will be conveyed to Atherton in automobiles. A barbecue will be enjoyed at the noon hour and afternoon tea at 3 o'clock. A band will render music.

The George E. Bates property on Santa Cruz avenue, locally known as the Mary Adams inheritance from the Johnson estate, is being rapidly prepared for subdivision sale by Contractor Flynn under the supervision of Engineer C. L. Dimmitt.

The macadamized military road constructed through and across the tract by Uncle Sam are being extended into a complete macadamized road system connecting with and blending into Santa Cruz, Middle and Jenkins avenues.

No portion of Camp Fremont was so materially benefited by the military improvements which are to remain as permanent improvements as those made on this tract. A 21-inch sewer to the bay crosses it, while 6 inch branches with requisite manholes make the drainage system perfect and complete. A 12-inch water main with 6-inch laterals together with five 6-inch hydrants are to remain on this land, a very valuable asset to every purchaser.

When the improvements now under way shall have been completed the land will be offered for sale in small acreage parcels at similar or less prices than the valuation placed thereon when the land was appraised and distributed to the heirs of the Johnson estate, long before Camp Fremont was established or any improvements made.

As soon as this is ready for sale our advertising columns will contain announcement of when, where and from whom selections from this tract may be had.

Mr. and Mrs. Effingham Sutton have taken a house in Menlo Park for the summer and will shortly move down and take possession.
